wireframes

4-UP BROWSERS

/LOGIN

A hand-drawn wireframe for a login page. It features a browser window with a blue header bar containing the word "Brand". Below the header is a circular logo with a square inside. The form contains two input fields labeled "Email" and "Password", followed by a "Quote of the Day" label and a "Submit" button.

/SIGN UP

A hand-drawn wireframe for a sign up page. It features a browser window with a blue header bar containing the word "Brand". Below the header is a circular logo with a square inside. The form contains three input fields labeled "Name", "Email", and "Password", followed by a "Submit" button.

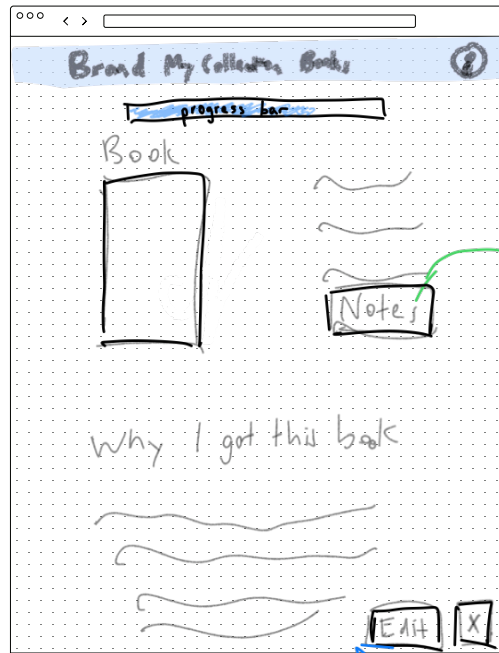

/Collection ? view = table

A hand-drawn wireframe for a collection view in table format. It features a browser window with a blue header bar containing the words "Brand", "My Collection", and "All Books". To the right of the header is a settings menu with options "settings", "invite", and "Logout". Below the header, there are three tabs: "By Genre", "By Date Added", and "By Author". The main content area is a table with columns: "cover", "title", "author", "date added", "progress", and "edit". The table has five rows of data.

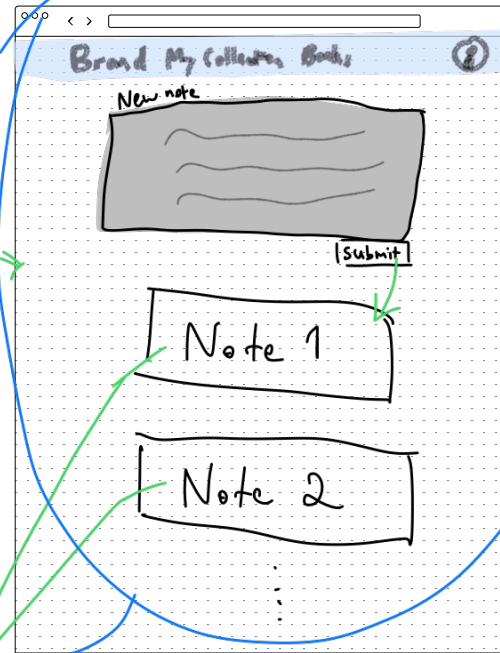

/Collection ? view = cover

A hand-drawn wireframe for a collection view in cover format. It features a browser window with a blue header bar containing the words "Brand", "My Collection", and "All Books". To the right of the header is a settings menu with options "settings", "invite", and "Logout". Below the header, there are three tabs: "By Genre", "By Date Added", and "By Author". The main content area shows three book covers, each with a "cover" label and a "img" label. A green arrow points from the "All Books" tab in the header to the book covers.
